**Ice Dam  
Blaster**

*The low-cost,  
simple solution to  
prevent damage  
caused by ice dams*

The **Ice Dam Blaster™** is a sleeve filled with deicer material that is long-lasting and won't damage the roof or its components (including roofing nails, shingles, gutters and down spouts). In addition, the run-off will not damage turf, shrubs, flower beds, or concrete at the bottom of the down spout.
